Which experience of yours will be an asset to the work of such an international board as WAPP?) With other words: why should people vote for you?

**I have been with PPT for 15 years. I am happy that I was able to meet Nossrat Peseschkian live in 2009. I believe that PPT is the method which can be the best to help the world in an era of war and crisis. Right now we have a unique chance to promote PPT around the world, helping people of different countries and cultures to find answers to questions about the life and future of mankind.**

**I want to use all my professional and soft skills for WAPP community worldwide (“opening” new countries on different continents to represent PPT worldwide, encouraging and training WAPP members to make research and to write articles; creating and promoting more WAPP online content not only for students, but for clients, for some professional groups (teachers, doctors, managers etc.) on actual social topics in order to popularize PPT in English and local languages; creating and developing more actual WAPP certified training programs (for example, PPT trauma therapy); promoting original Prof. N.Peseschkian’s ideas which aren’t so well known and popular as, for example, “Balance Model”: interval training by N.Peseschkian, reaction types and others).**

7. Please add a current photograph of you to this application.

-----

+  In case of being elected as member of the WAPP Board of Directors I will accept.

**The task of a WAPP Board member involves a weekly workload of 2-4 hours. I hereby confirm that I am willing to voluntarily devote this time to the duties of a Board member.**
