

The **World Association for Positive and Transcultural Psychotherapy (WAPP)** e.V. is an international NGO in the field of mental health and psychotherapy training. The Association is registered in Wiesbaden, Germany, and has more than 2,300 members in 54 countries.

Due to the expansion of our Head Office Team, we are looking for a result- and process-oriented person as a

Project Manager

(remote work, 20 hours per week)

The Head Office Team consists of three persons plus the executive president of the Association. You would be responsible for the monitoring and support of the agencies (committees and working groups), for the organization of events and conferences, and general organizational work. You could work entirely from home as two of the office assistants are living abroad. The work is entirely in English language; therefore, you need a C1 level of English. Any further language would be an asset. Excellent computer skills are needed (Windows Office).

Experience in project management, preferably in an NGO, would be very useful. You need to be a flexible and culturally sensitive person with interest in the field of mental health and training/education. Independent working style and analytical thinking are necessary.

You will find more information about our Association on our website: www.positum.org

We look forward to receiving your application (CV, photo, salary expectations, possible starting date) by email to: job@positum.org
