

WORLD ASSOCIATION FOR POSITIVE AND TRANSCULTURAL PSYCHOTHERAPY

WAPP newsletter, April 2024

Dear members of the World Association for Positive and Transcultural Psychotherapy,

We are pleased to share with you the latest updates and news from our association. Despite the various challenges facing our world, we have seen dynamic growth within WAPP and PPT in recent weeks and months. We are immensely grateful to you, our members, who continue to actively participate in our association's activities and support one another, even in the face of difficult circumstances.

As we move forward, there are several important updates and exciting projects on the horizon. We will be introducing these to you gradually through this newsletter. Thank you for your continued dedication and support.

*Kind regards,
WAPP Board*

NEW! Continuing Professional Education (CPD)

More and more countries and organizations expect from different professions (medical doctors, psychotherapists, teachers, etc.) an ongoing process of developing, maintaining, and documenting one's professional skills, knowledge, and development. After long preparation, there will be **from September 2024** a CPD system in WAPP: Positive Psychotherapists and PPT Trainers have to update and develop their knowledge and skills continuously. This commitment demonstrates and ensures professional competence, high standards, good quality service, and accountability for the public. **See details in different languages - [click the button](#)**

Service on WAPP committees and working groups

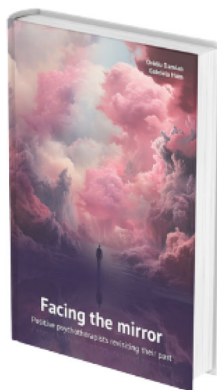

During the Second WAPP Strategic Meeting in March in Istanbul, we reviewed the progress of our committees and updated the structure accordingly. If you are interested in joining any of our working groups, please [send us a message](#) indicating your preference. To familiarize yourself with the current structure, you can visit our website and click on the designated button on the right. There are so many exciting and interesting areas in which you can work together with your colleagues from other countries, and shape PPT and WAPP.
