### 13. Vision and Goals for the WAPP Executive Board:

Please provide a brief description of your vision for contributing to the WAPP Executive Board. What specific skills, experience, or perspectives will you bring to the Board? Why should members vote for you?

My vision is to create a department that deals with international humanitarian psychotherapeutic assistance.

Another vision is to create programs within the WAPP through which to research the benefits of applying positive and transcultural psychotherapy in sports, the psychopedagogy of gifted children and in working with people who consume narcotics

To increase the Journal of Positive and Transcultural Psychotherapy impact factor

I will bring the experience of working with children and adolescents with addictive behavior in narcotics use.

I will answer, to the question of why should member vote me, with a personally created metaphor: In order for the tree to be able to see its fruits better, after they are ripe, they must fall and their seed must enter the ground to become the tree from which it fell.
